

Additional Brand Name of a Product

If manufacturer want to apply for an additional product section then he/she must specify license to add additional product. After approval manufacturer can see additional product section in license which specified by manufacturer at the time of an application of additional product section.

Steps for application

Step:-1 Login into the iDMLA application

Step:-2 GO Left Menu→Misc. Application→Additional Brand Name of a Product

The screenshot shows the 'Application for Additional Brand of a Product' page in the iDMLA application. The page includes a header with the FDCA logo and user login information. A left-hand menu lists various application types, with 'Additional Brand Name of a Product' highlighted. The main content area features a table with columns for Sr.No., RegID, RegDT, PI, Products, Fee, Attachment, and Register. Below the table are several callout boxes with arrows pointing to specific elements: 'Additional Brand Name of a Product' points to the menu item; 'Application Registered ID' points to the 'RegID' column; 'Covering Letter' points to the 'PI' column; 'Add product' points to the 'Products' column; 'Add Attachment' points to the 'Attachment' column; 'Register an Application' points to the 'Register' button; 'Add Fees' points to the 'Fee' column; and 'Select report and click Go button to view report' points to the 'Go' button.

Sr.No.	RegID	RegDT	PI	Products	Fee	Attachment	Register
1	196	06-Mar-2009	PI	1	50.00	1	Register
2	319	22-Jun-2009	F	2	20.00	1	Register
3	514	18-Sep-2009	PI	1	20.00	1	Register
4	515	19-Sep-2009	PI	1	10.00	1	Register
